Wine Tour and Tasting for Six at Sleeping Dog Wines

Our philosophy at Sleeping Dog Wines is that dogs and wines share many similar properties. When they are young, they are lively, colorful, sometimes out of control and, oftentimes, lots of fun. As they get older, they tend to mature, develop character, and become more steady in their outlook and reliability. All along, it certainly helps to have a good nose! We tend to produce reds that will usually taste pretty darn good with one or two years in the bottle, but benefit from laying down for several years. Since many of our customers don't have the space to lay down their wines at home, we prefer to release these wines with five or more years of bottle aging, allowing you to appreciate them as they should be tasted. Enjoy a wine tour and tasting for up to six people hosted by Alpha Vintner Larry Oates and his Canine Associate. Well-behaved humans and dogs welcome.

Restrictions: Redeemable by the bearer, must be redeemed at the winery. Call to make arrangements.
