Zoo animals play with soccer balls to cheer on Sounders FC #BuiltforThis!

WHAT: As the Seattle Sounders FC head to the MLS Cup Playoffs for an 11th straight season, Woodland Park Zoo's team roster shows they are also #BuiltforThis! Grizzlies, wolves, river otters, and penguins will give their Full 90 as they kick, tap or dribble Sounders soccer balls.

The soccer balls for the animals are a part of the zoo's excellent animal care program to help enrich the lives of the zoo's animals. The safe activities help encourage natural animal behavior, keep animals mentally and physically stimulated and provide extraordinary experiences for zoo visitors.
