# ANIMAL SNOWFLAKES

*Take a close look at the beautiful snowflakes on this page and you'll notice some familiar creatures have snuck into the designs. Thanks to the talented Leah Miyamoto, her works of art have been popping up around the zoo.*

You can make your own beautiful snowflakes.

With help from an adult, follow the folding instructions, then use our templates to trace and cut out a bunny or fox design.

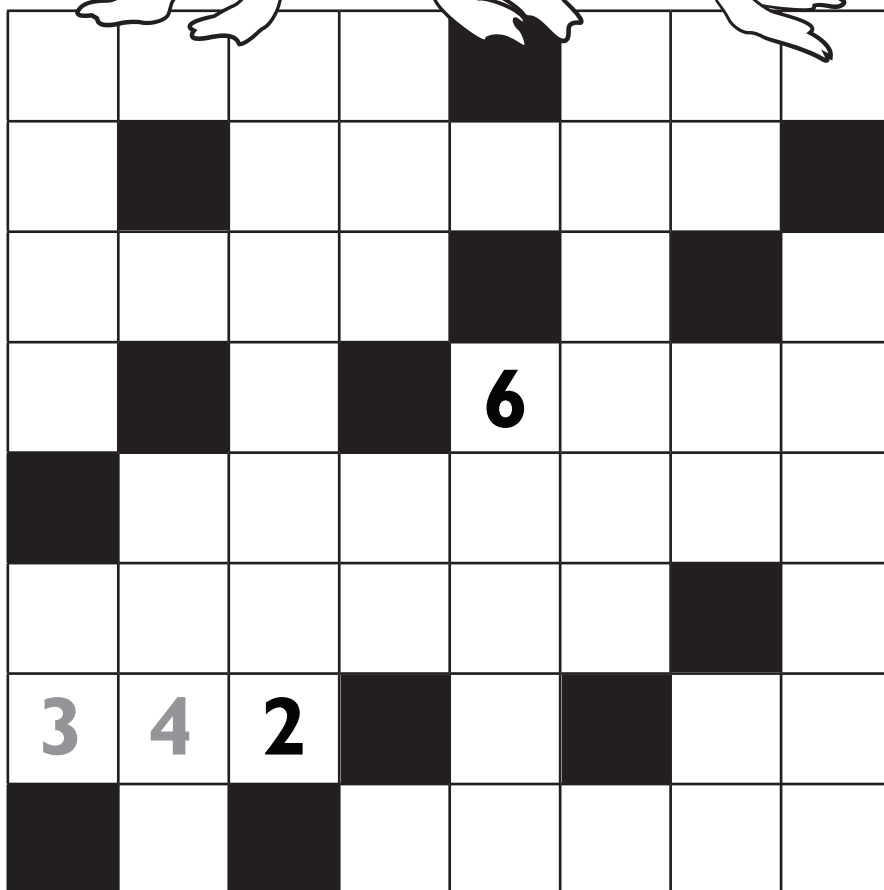

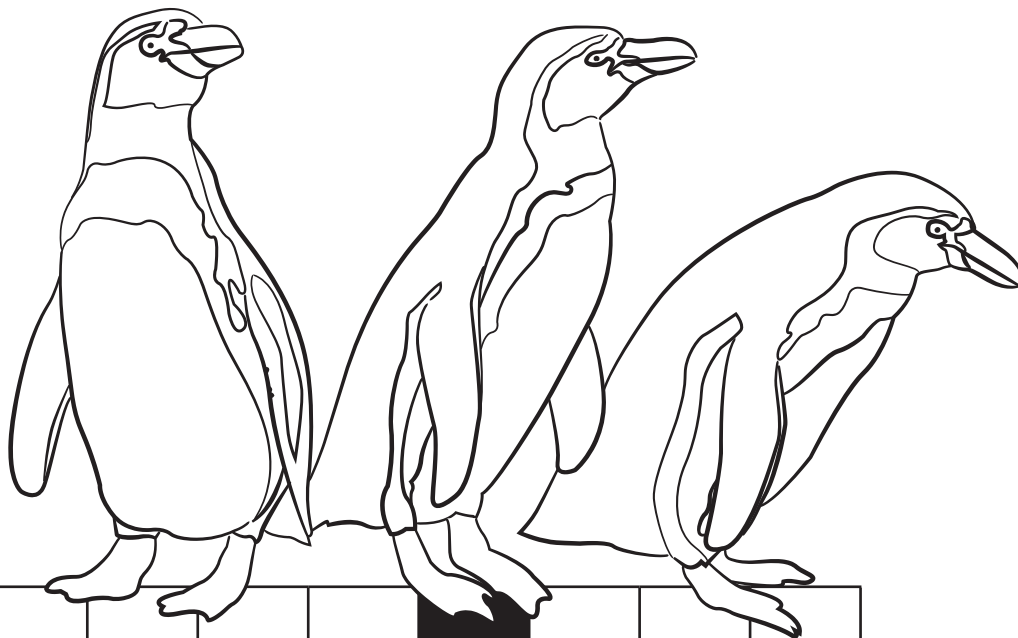

Unfold to reveal a winter-worthy decoration!
