Event features two special performances by The 5th Avenue Theatre

WHAT: Woodland Park Zoo invites guests to enjoy a StoryWalk® this spring at the Family Farm. Come on a journey with Sonya, a young girl who lives on a farm, as she learns how to [coexist with carnivores](#) that live nearby. From February 17 to April 16, guests will discover the book's pages displayed across 17 sign boards in English, braille, and a scannable read-aloud so that children and adults can discover the story while strolling by the zoo's domestic friends at the farm.
