Someone, hopefully you, signed up for a new FieldScope account using this email address. The request has been approved, so if you'd like to activate and use your account, click the link below or copy and paste it into your web browser's address bar:

https://bat.fieldscope.org/fieldscope/users/activate/1c342a644b01b672838e46d412d1a469

If you didn't request this, you don't need to do anything; you won't receive any more email from us, and the account will expire automatically in 13 days.

6. After you click the link in the confirmation email, you will be directed to the FieldScope website with a message at the top saying, "Account activation successful!" On this page, you can enter your new log in credentials and go on to enter you BAT data!
