

Identification Guide

Brush-footed Butterflies

White Peacock
Anartia jatrophae

Queen
Danaus gilippus

Monarch
Danaus plexippus

Julia Heliconian
Dryas iulia

Zebra Longwing
Heliconius charithonia

Common Buckeye
Junonia coenia

Red Admiral 🦋
Vanessa atalanta

Question Mark
Polygonia interrogationis

Eastern Comma
Polygonia comma

Painted Lady 🦋
Vanessa cardui

American Lady 🦋
Vanessa virginiensis

Other

Atala
Eumaeus atala

Great Southern White
Ascia monuste

Orange-barred Sulphur
Phoebis philea

Cabbage White 🦋
Pieris rapae

Species marked
with 🦋 can be
found in the Puget
Sound region.

Swallowtail Butterflies

Pipevine Swallowtail
Battus philenor

Polydamas Swallowtail
Battus polydamas

Giant Swallowtail
Papilio cresphontes

Spicebush Swallowtail
Papilio troilus

Eastern Tiger Swallowtail
Papilio glaucus

Palamedes Swallowtail
Papilio palamedes

Eastern Black Swallowtail
Papilio polyxenes

Identification Guide

Annuals

Floss Flower
Ageratum spp.

Swan River Daisy
Brachyscome spp.

Cosmos
Cosmos spp.

Shrubs

Seedless Butterfly Bush
Buddleia spp.

Heliotrope
Heliotropium arborescens

Perennials

Yarrow
Achillea millefolium

Mexican Fleabane Daisy
Erigeron spp.

Goldenrod
Solidago rugosa

Sea Holly
Eryngium spp.

Lobelia
Lobelia erinus

Pincushion Flower
Scabiosa spp.

Bidens
Bidens spp.

Bee Balm
Monarda spp.

Verbena
Verbena spp.

Gaura
Gaura spp.

Egyptian Star-cluster
Pentas lanceolata

Purple Coneflower
Echinacea purpurea

Phlox
Phlox spp.

Hyssop
Agastache spp.

Shasta Daisy
Leucanthemum spp.

Black-eyed Susan
Rudbeckia fulgida
