Challenge Rules:

- **One card per person.** Group or team participation is welcome for fun, but only individual cards are eligible for rewards.
- **Complete rows** of five fundraising, species-saving and zoo-experience challenges across, down or diagonally.
- **One action = one square.** Each square must be completed with a separate activity. You're welcome to complete multiple zoo-based tasks in a single visit. For example, you can ride the Historic Carousel, take a selfie with an animal statue and bring a friend all on the same day.
- **Some tasks may require a purchase.** We've designed the challenge to be accessible, but some squares may involve buying a ticket, attending an event or giving or raising money to support the zoo. Your participation through this campaign helps support our world-class animal care, species-saving projects, education programs and more!
- **All ages are welcome!** Adults must submit cards on behalf of participants under age 13.
- **Be honest!** We count on our community to complete actions on the honor system. This is a fun challenge for supporting your zoo at heart.
- **Submit completed cards by 11:59 p.m. October 9, 2026** by email (donations@zoo.org), in person at a zoo admissions window, or by mail:
Woodland Park Zoo
5500 Phinney Ave N
Seattle, WA 98103

Entries must be received (not just postmarked) by October 9, 2026 to earn rewards, so if mailing your card, please plan accordingly!

Community Fundraising:

The ZINGO card highlights 'community fundraising', which is your chance to get creative and rally your network to help animals. Whether you build a fundraising page, host a garage sale, or hike a mountain, whatever you do, do it All for Animals!
